7. What is the purpose and how does the legislatively directed spending item provide a public benefit that is an appropriate use of taxpayer money?

The district is in need of updated and reliable walkie talkie communication systems, an essential safety and operational tool, enabling instant, clear communication among administrators, teachers, office staff, transportation personnel, and emergency responders across buildings and campuses. Funding for upgraded walkie talkie systems will strengthen emergency preparedness by allowing staff to respond immediately to medical incidents, security concerns, severe weather, and other urgent situations. In addition to crisis response, these systems improve daily coordination for student supervision, arrival and dismissal procedures, special events, and building operations, creating a safer, more efficient learning environment for students and staff.
